

Quality policy

EGELHOF aspires to satisfy its main interested parties: employees, customers, suppliers and shareholders.

EGELHOF Top Management commits to ensure all needed resources are available to reach Health and Safety, Environment, Quality and business targets.

EGELHOF Top Management commits to:

- Satisfy requirements (customers, legal & regulatory, environmental, social, safety and health)
- Improve continuously the Quality Management System
- Communicate the quality policy within the organization and to the relevant interested parties
- Define and review regularly quality targets.
- Adopt a lean approach by improving the company's performance through the involvement of all employees and the optimization of all resources.
